

## Cancellation Policy

Meyers Physical Therapy strives to provide all patients with excellent service and quality care. Your commitment to your physical therapy program is critical to your success. From the initial visit, a physical therapy plan will be recommended, taking into account your individual needs. This will include recommended treatment and goals. In order to meet your goals, it is very important that you do your part and make each appointment.

If you do need to cancel or reschedule an appointment, **24 hour notice** is required. To cancel / reschedule an appointment, please call 530.721.3253. If you do not give 24 hour notice, or no-show for the appointment, you will be charged a **\$50 cancellation fee**.

If a late cancellation is necessary due to illness or an emergency, please let the therapist know in order to determine if the fee can be waived.

Thank you for choosing Meyers Physical Therapy. I look forward to working with you and helping you reach your goals.
